THE GRAND LODGE COMMITTEES are keeping busy preparing for the big conventions here in July.

GERMANY DOES NOT LIKE the idea of the United States selling arms and ammunition to the Allies, and refusing to sell foodstuffs to the German people. Come to think of it it doesn't seem fair, but then there is the custom, you know.

## News Around Town

The Vernon A. M. E. church of this city was dedicated last Sunday with Bishop Chappelle in the pulpit. \$132.65 was raised during the day.

Messrs. Chief Harrison, Tobie Franklin and John Ware of Haskell were Tulsa visitors this week.

Some of the out of town visitors Sunday were Prof. Day of Sapulpa West of Claremore and Rev. Walls of Chelsea and Presiding Elders Kild and Perrin.

Mr. George H. Moreland of the Exchange Insurance Co. is in the city again. George says there is no place like Tulsa.

The sermon by Bishop Chappelle Sunday was indeed inspiring as well as instructive. Could the Bishop preach here often, it might have a tendency to draw out of many hearts those bad selfish underlining principles.

W. M. Ragsdale of the Home Undertaking Co., of Muskogee, and father of H. W. Ragsdale, an undertaker of this city is visiting here. Mr. Ragsdale is one of the best known men of the state, and has acquired quite a deal of property through his careful management.

The STAR contains excellent digestive things, so read and riddle.

At the First Baptist Church each night there is an addition to the church. The work of National Evangelist F. K. White assisted by Rev. L. S. Powell State Evangelist is bearing fruit.
